  - Vehicle Make, Model & Year
  - Driver's License Number
  - Photograph the Scene & Damage to Vehicles
  - Witness Contact Info
- 3 DOCUMENT ALL INJURIES**

Seek medical attention if necessary. Photograph any obvious injuries. Be certain to give any medical provider a complete list of your injuries.
- 4 CONTACT MMRB&H**

Do not give a statement to an adjuster without speaking to a lawyer. Insurance company executives, particularly those representing trucking companies, employ every possible tactic to question liability. Contact us to guarantee an experienced trucking accident lawyer is fighting on your behalf.

## Offshore/Maritime Accidents

- 1 DOCUMENT ALL INJURIES**

Take photographs and acquire medical records pertaining to the accident. Neatly organize all documents regarding your case so your lawyer can easily navigate through the materials. Be certain to give any medical provider a complete list of your injuries.
- 2 OUTLINE OF EVENTS**

Compile a detailed, step-by-step overview of the events associated with the accident. Include every component leading up to the accident to the current moment.
- 3 REPORT INCIDENT TO EMPLOYER**

And make certain an accident report is completed.
- 4 CONTACT MMRB&H**

Effectively communicate with your lawyer regarding all aspects of the case. Our team has vast experience in cases related to oilfield injuries, and we'll evaluate every legal option for you while remaining sensitive to the emotional and financial impact an injury can have.

## Pharmaceutical Class Action

- 1 GATHER AND RETAIN ALL EVIDENCE**

Keep all instructions, empty bottles, boxes and labels of the drug or device that you believe may have caused you injury as well as any correspondence from the manufacturer.
- 2 REPORT INJURY OR SIDE EFFECT TO YOUR PHYSICIAN**

If you believe you have an injury or side effect relating to a drug or medical device, report that injury or side effect to your physician and your concern that it is related to the drug or medical device.
- 3 CONTACT MMRB&H**

If you feel you have a pharmaceutical-related personal injury claim, please contact MMRB&H to discuss your particular case today. We can file any type of suit associated with protecting your rights as they relate to your health.
